

## IBCC News - April 2019

*Dear Members and Friends,*

*Spring is thankfully here again and regardless of global or domestic challenges, we are always confident, at this time of the year, that we shall make things great... And we will! First quarter started good with numbers of bi-lateral business and trade between our two countries going up, and great concrete plans for more fruitful and meaningful cooperation and business opportunities for IBCC Members and friends are being planned and structured. Join us and enjoy a great network of organisations, decision makers and people who are doing business with each other and by that, also creating an endless bridge of good will and great relations.*

*The IBCC, Board and team, are wishing you all Happy Holidays!!!*

**IT'S ALL ABOUT THE PEOPLE!!!**

*Anita Leviant, Adv.  
IBCC President*

### BREXIT- Breakfast

In March, the IBCC President, Anita Leviant hosted at the HMA David Quarrey's Residence, a group of senior managers of Israeli and British companies for a Brexit Breakfast and an open discussion with the Ambassador, about the various possible developments and correspondent preparations. Participants included senior managers and Board Members from GSK, Uniliver, Bank Mizrahi-Tefahot, Ellomay Capital, Sugat, Nesher, White City, Eduwardian Radisson, Aboulafia Accounting Group, Pearl Cohen Baratz, Manufacturer Association, Profimex, Alfada and the DTI.

### Continuity Trade Agreement between Israel and the UK

The agreement was signed in February 2019 and ensures minimal disruption to the mutual trade relationship between both countries, in view of the prospective BREXIT.

The agreement is just the first step towards enhancing and improving the already good terms of business and trade between the two countries.

In January, a unique event of technology and real estate, featuring the most advanced technology companies in the real estate world was organized by IBCC member Profimex in collaboration with IBCC.

### British antisemitism – it's personal!

In February, IBCC took part in an event hosted by "Camera", that discussed the current reality of antisemitism in Britain. With the various possible results of Brexit at the background, the subject of antisemitism in Britain became more relevant than ever.

### BCC Annual Conference 2019

The 2019 Annual BCC Conference took place in March 2019 in London and provided a unique opportunity to explore relevant subjects to business and chambers around Europe during the uncertainties derived for the Brexit situation.

### Long Live the Queen!

Her Majesty, Queen Elizabeth Birthday Party was celebrated in Ramla at the Apple Seeds Academy who promotes digital equality in Israel.

The Ambassador David Quarrey and Minister Gila Gamliel, made a toast to the Queen, the President of Israel and the thriving relations between the countries.

**Coming soon...**
